

COURT WAIVER

If you are involved in a divorce or custody litigation, you need to understand that my role as a therapist is not to make recommendations for the court concerning custody or parenting issues or to testify in court concerning opinions on issues involved in the litigation.

Experience has shown that testimony by therapists in domestic cases causes damage to the clinical relationship between a therapist and client. Only court-appointed experts, investigators, or evaluators can make recommendations to the court on disputed issues concerning parental responsibilities and parenting plans.

By signing this disclosure statement, you agree not to call me as a witness in any such litigation.
